WOMAN'S CLUB MEETING

The Sippican Woman's Club of Marion will hold its first meeting of the 1964-1965 season on Friday, September 11th, at one o'clock at Eastover Farm in Rochester, the home of Mrs. Howard Hiller.

This historic landmark, located on the shore of Leonards Pond, contains some of the earliest buildings in this area. The beautifully restored farmhouse, which is Mrs. Hiller's home, was built around 1800. On the property is a grist mill which was in operation as recently as World War I. A tour of the farm, which includes a modern dairy barn, and extensive cranberry bogs, has been arranged to those who would care to see a modern farm in operation.

Members are asked to bring a box lunch and articles for a silent auction, which will follow the luncheon. Dessert and coffee will be served by Mrs. Hiller and her committee made up of the following women: Mrs. Robert Hiller, Mrs. Frank Babbitt, Mrs. William Maxwell and Mrs. Arthur Tebbetts. Anyone desiring transportation or directions to the farm is asked to call Mrs. F. Winston Bendall, at 748-0556

This year, the Sippican Woman's Club is celebrating its sixtieth anniversary. The program committee has arranged a varied and interesting schedule of speakers for the coming

Report on the building painting committee was given by William Smith, stating the committee recommended the bid presented by Howard Bates, Contractor. Members of the Grange voted to accept the committee's recommendation.

PUMPKINS STOLEN

Two beautiful pumpkins recently displayed at the annual Mattapoisett Grange Fair and awarded first prize for agricultural perfection were stolen from the front door step at the home of Mr. and Mrs. Otto C. WOMEN FOR GOLDWATER COMMITTEE

An organizational meeting for the Women For Goldwater Committee was held at the home of Mrs. C. Joseph Nowak, Marion, on September 3rd, with about 50 of the nearly 100 members present.

The meeting opened with a prayer and a short outline was given by Mrs. Nowak of what the duties of members would be: to mail literature from their homes which would be provided by the Citizens for Goldwater Committee in this area headed by Mr. John Decas of Wareham. Also to help staff Goldwater HQ's and hold coffee hours and cocktail parties, etc. to help get funds for the campaign... and to to get 'out the vote for Goldwater' by personal contacts.

There are several Democrats for Goldwater in the group, and the Committee would welcome any interested women to contact the following

rea chairmen: Mrs. Glenor B. Worrall, Wareham; Mrs. David Haley, Mattapoisett; Mrs. Katherine Hartley, Rochester; Mrs. Joseph Nowak, Marion; Mrs. Seabury Cook, New Bedford; Mrs. Daniel Ferreira, South Dartmouth; and Mrs. Marian Couture, Fairhaven.

Plans are also being made to include more towns in this area in the Women for Goldwater Committee.

Mr. Arthur Milhench, co-ordinator of 'District 12 for Goldwater', told members that the proceeds from the cocktail party held at the Kittansett Club for Goldwater delegates realized about $1,500. He said other social gatherings will be held to obtain campaign funds. He added that Attorney Howard Young of South Dartmouth, who is co-ordinator for the State, would have come but was on vacation in Virginia.

Attorney Richard Paull, chairman of the Marion Town Committee and vice-president of the Plymouth County Republican Club, announced that efforts to get Senator Goldwater to come to this area have been unavailing thus far but there is a possibility that Congressman William Miller, candidate for Vice-President, may come.

David Haley, chairman of the Mattapoisett Town Committee and Selectman, spoke as "Chairman of the Speakers for Goldwater Committee" and will provide speakers for any groups which are interested.

During the meeting 24 copies of "None Dare Call It Treason" were sold - and orders taken for 16 copies of "A Texan Looks at Lyndon" and 21 copies of "A Choice Not An Echo". Anyone wishing copies of any of these books may contact Mrs. Joseph Nowak of Marion.

Several members suggested a collection be taken up for the use of the Goldwater Committee and a total of $32.00 was donated.

Members from the Rochester and Fairhaven Town Committees were not present because town committee meetings in their own town were being held at the same time.

DEDICATION OF PERCY A. KELLY CORNER

The late Percy A. Kelly was honored on Sunday, September 6th, by the dedication of the corner by the information booth at Buttonwood Park with a marker bearing his name. His widow, Mrs. Betty Kelly, was special guest. As chairman, J. Louis LeBlanc, city councilor, introduced speaker, Everett S. Allen and other officials including Mayor Harrington.

Mr. Allen praised Mr. Kelly's interest in people of all ages and stated that there ought to be more monuments in recognition of men who try to make this world a better place by their faith in people and their lifelong acts of compassion.

PILOTING COURSES BY POWER SQUADRON

Free piloting courses, designed to be of equal value to all boatsmen, from the fisherman who rents an outboard for a day to the yachtsman who plies the waters in a powerful cruiser or a graceful sailing craft, will start September 23 under the direction of the Mattapoisett Power Squadron.

Registration will be at 8 P.M. September 16 at Old Rochester Regional High School, Route 6, Mattapoisett.

Subjects covered in the classes include safety afloat, seamanship, small boat handling, equipment and government regulations, rules of the road, aids to navigation, the mariner's compass, charts and piloting.

Classes will be held every Wednesday night at the high school, starting September 23, from 7:30 to 10 P.M. The termination date will be sometime in December.

The course is open to both men and women over 18. Being a boat owner is not a prerequisite to registering and there is no charge for class material.

Last year, 66 persons from an area covered by New Bedford on the west, Wareham on the east and Middleboro on the north, registered for the Mattapoisett Squadron course.

Dr. Charles R. Phillips, A.P., of Fairhaven, is squadron commander. Gerald Smith, J.N., of Middleboro, is educational officer; and Andrew J. Alden, A.P., of Mattapoisett, is class chairman.

Class lecturers and assistants include Dr. Phillips, George Olifierko, A.P., of Marion; Warren H. Bell, A.P., Louis E. Johnson, A.P.,

LETTER TO THE EDITOR:

In the heat of political campaigns, we expect that candidates, being human, will occasionally say things they regret after sober reflection.

I do not recall, however, ever reading any such insulting and vulgar comment about an opposing Party platform, as that quoted in the press August 31, as having been said by the Democratic candidate for Vice-President, and which was greeted with roars of laughter by President Johnson.

Since there has been much written about the dancing ability of Senator Humphrey and President Johnson, it is to be hoped that the Senator had an extra pair of shoes along, in case dancing was to follow the cow chasing indulged in by him and the President, when the Senator's shoes got soiled.

I wonder why President Johnson seems to enjoy harassing animals. Lifting dogs by their ears and chasing cows are hardly dignified or

profitable pastimes, especially when there are so many weighty problems confronting our Country.

I recall that Adlai Stevenson's shoes came in for comment, also. He did not get elected - either! Edna L. Borden

This is the quotation referred to in the letter. "A score of cameramen and reporters trailed along as the President and his running mate shouted, 'Yahoo' and chased cattle for the photographers.

"During one such adventure, Humphrey soiled his shoe and quipped, 'Mr. President, I just stepped on the Republican platform.'

"Johnson laughed uproariously."
